Subjects: Typography, Publication, Visual studies, Professional Practice, Branding, Experience Design, UI, UX, Designing systems, Photography, Illustration, Wayfinding, Motion Graphics

Experience

Fujian Footware | Melbourne, VIC

Multimedia Intern | 03/2026 - 05/2026

(Footwear retail and wholesale brand)

- Produced **15+ print asset** types (catalogues, posters, POS, packaging) for a 500+ SKU footwear brand
- Built and deployed 20+ EDM campaigns via Omnisend, reaching **8,000 subscribers**, driving a **2–3% revenue** uplift.
- Produced 20+ socials, websites, and print assets per month, growing community engagement by **5%**
- Assisted in product photography and photoshoots, supporting visual direction and setup.

Alchemist Marketing | Mumbai

Graphic Design Intern | 11/2025 - 01/2026

(Creative and marketing studio)

- Designed **4+ pitch decks** presenting Alchemist's capabilities and past work to prospective clients
- Created branding and campaign assets for **5+ real estate clients**, ensuring alignment with site identity and client briefs
- Collaborated directly with clients and internal teams across the full design feedback loop, from brief to final delivery
- Leveraged **AI tools**, including Midjourney, Firefly, and ChatGPT, to accelerate content creation and ideation

FatakPay | Mumbai

Graphic Design Intern | 12/2024 - 02/2025

(Fintech startup)

- Collaborated with **cross-functional teams** under **tight deadlines** to deliver marketing materials, resulting in a **5%** increase in blog retention and clicks.
- Designed engaging **visual content** (flyers, banners) tailored for community audiences, driving a **5%** rise in engagement.
- Adapted to a **high-pressure environment** by maintaining attention to detail while meeting strict deadlines.
- Strengthened **organizational skills** by effectively managing multiple design tasks simultaneously.

Australian Red Cross | Melbourne, VIC

Volunteering | 07/2024 - Present

- Delivered friendly and helpful service to diverse customers.
- Operated tills with accuracy and efficiency, helping the team **meet daily sales** targets consistently.
- Worked **collaboratively with team** members to keep the store organized, reducing restocking time and improving flow.
- Assisted with layout improvements that enhanced customer experience and increased foot traffic.

Our Clean Locality

Volunteering | 02/2022 - 01/2023

- Collaborated on **logo design**, strengthening the organization's brand identity.
- Actively participated in **city-wide clean-ups**, engaging local residents and boosting participation in campaigns.
- Developed **teamwork and design skills** by contributing to awareness campaigns that reached community members.

Certificates

RMIT x Northern Health iOS Hackathon | 2026

- Designed and prototyped a **cancer care app** within a 3-day intensive program, collaborating in a team of 4
- Built a **fully working prototype using Claude AI**, alongside Figma layouts and designs to support further development.
- Conducted direct user research with **doctors and patients** across all 3 days, iterating based on real clinical feedback
- Presented the final product to an **audience of 20+ industry professionals, medical staff, and academics.**
- Balanced UX, visual design, and rapid prototyping simultaneously under tight time constraints

Apple Foundation Program | 2026

- Co-created **Earnie**, a financial literacy app helping Australian youth understand their payslips, built over 3 weeks
- Sole designer in a team of 4 (3 developers), responsible for all Figma layouts, UX flows, and visual direction
- Presented the final product to **active Apple employees**, receiving industry-level feedback
- Applied structured ideation methods like brainstorming, narrowing, and research-driven decision making to define the app concept
- Gained foundational exposure to **SwiftUI** and design-to-development handoff workflows

Google UX Design Certificate | 2024

- Built foundational knowledge in **UX research methods**, human behaviour, and mental models
- Applied core design principles including hierarchy, accessibility, and user-centred thinking to app designs

Projects

- **Memo** – Brand identity system exploring nostalgia and memory through collectables — Illustrator, InDesign
- **Silence** – Minimalist interactive installation visualising silence through abstract motion and code — JavaScript, CSS
- **Children's ADHD Calming Toy** – Dual-style packaging design promoting calmness and sensory interaction — Illustrator, InDesign
- **Light Between Us** – Interactive light installation exploring human connection through spatial and visual storytelling — Experience Design
- **Parry Grotesque Specimen Book** – Editorial typography book showcasing the Parry Grotesque typeface — InDesign
